

# Field Walk

with **David Fisher**

February 16, 2025

4-7 PM

Sliding Scale: \$20-60

80 Bassett Rd  
Shelburne, MA

Join David Fisher of Natural Roots for an on-site assessment of the vegetable garden and lower field at Fabric of Life.

Then warm up by the fire while David shares his approach to soil improvement through mineralization, crop rotation, and cover crops.

Finally, join us for a light supper with plenty of opportunity for hearty discussion.

All are welcome: beginning farmers, home gardeners, and growers with many years of experience.

Limited space, please pre-register.
